#### Frontend Developer

My name is Tohir Bobojonov.

I'm a Frontend-developer having more than 6 month Of Experience.

I'm a Frontend-developer . I am passionate about building excellent software that improves the lives of those around me. I specialize in creating web application for clients ranging from individuals and small-businesses. What would you do if you had a Frontend-developer expert available at your fingertips?

Websites don't have to be static, I love making pages come to life.

My web development services include Frontend-development.

Fast load times and lag free interaction, my highest priority.

My layouts will work on any device, big or small.

Whether it is enhancing an existing application or architecting an application, I'm up for the challenge.
